

IMMEDIATE OPENINGS

Starseed Healing Sanctuary

Is seeking Partners to join our steward team to co-create and maintain our interfaith healing sanctuary and holistic retreat center

Located on 130 acres in the rural Berkshire Mountains of western MA, Starseed is a powerful energy anchor and container for personal and planetary transformation.

We seek stewards who want to deepen their spiritual path in a supportive community, embrace a natural lifestyle, hold all life as sacred and feel called to serve the work of the great turning taking place on earth at this time.

Winter Steward Position - Temporary

Starseed is seeking a temporary live-in steward through March 2011 to care for the sanctuary buildings, tend wood stoves, shovel walks, use snow blower on the driveways and keep the retreat house clean for guest and light maintenance. In exchange for approximately 18-20 hours per week you can live in the retreat house with access to the amenities of the sanctuary. A stipend is available for more hours of skilled carpentry and maintenance. Please contact Satyena for more details or to apply: starseed@bcn.net, 413-743-0417

2 One Year-Long Positions

Starseed is a healing sanctuary and holistic retreat center dedicated to supporting personal and planetary transformation through earth connection, ceremonies, programs and retreats. After 25 years, the co-founder is looking for people to carry the mission forward for the next 25 years. This is a transition year for Starseed aimed at moving toward social, financial and ecological sustainability. We are seeking two energetically aligned individuals to assist with this process in 2011.

1. We are seeking a like-minded individual to work closely with the co-founder on program development, marketing and operations with skills in administration, organizing, marketing, outreach, and program planning. We are looking for someone warm, welcoming, emotionally mature, spiritually connected, self-motivated, creative, works well on a team and can take on responsibility. This is a year-long position with the possibility of evolving into long-term co-directing.
2. We are seeking a strong, caring and capable person to take charge of the buildings, equipment and grounds. Requires experience in maintenance, carpentry and grounds care, the ability to supervise volunteers, and an ethic of stewardship. Sustainable building skills would be a plus.

These are both year-long, live-in positions aimed at facilitating the transition process, with the possibility for long-term stewardship. They include a stipend based on experience.

Please contact Satyena for more details or to apply: starseed@bcn.net, 413-743-0417. Visit www.starseedsanctuary.org for more information.
