Sanctuary Collections

Each collection contains five of our favorite scenes from the sanctuaries and sacred landmarks of Starseed Healing Sanctuary. The photographs are 4" x 6" and are mounted on white beautifully embossed 5" x 7" cards which are blank inside and include a matching envelope. They each come enclosed in a clear protective sleeve. They also fit nicely into a 5" x 7" photo frame with the embossed card acting as a mat around the picture.

Card Collections - \$12.00

Individual Cards - \$3.00

plus shipping & handling.

You may create your own 5 card collection!

Starseed is an Interfaith Healing Sanctuary dedicated to personal and planetary transformation. It is nestled in the beautiful rural mountains of the Northern Berkshires.

The Starseed mission is to facilitate the process of awakening to being fully conscious human beings by offering a supportive nurturing environment of Sanctuary.

We offer a variety of holistic workshops, sacred ceremonies and healing retreats that empower people to transform themselves and the world.

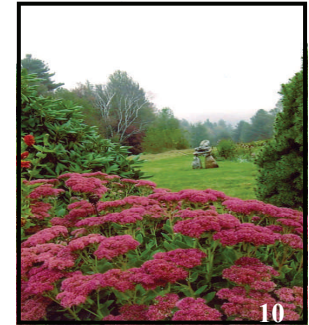

**The Circle of Seven Blessings is
a campaign to uplift the sanctuary at Starseed and
to bring the experience of sanctuary to more people.**

**The campaign has been designed to help promote inner peace,
inner harmony and inner sanctuary by focusing on the
Seven Blessings of
Courage, Compassion, Forgiveness, Love, Truth, Patience,
and Peace.**

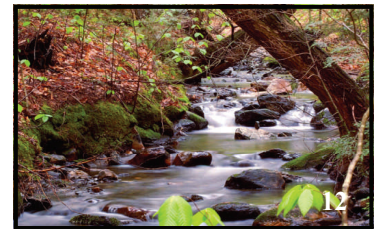

**We are focusing on raising the funds to complete 7 major re-
pairs on our Retreat House, and to continue building sanctuary.**

**If you would like to join the Circle of Seven Blessings and stand
with us in circle, supporting this powerful endeavor, please con-
tact us for more information.**
